Mindscape, Inc., is a subsidiary of SFN, one of the nation's leading educational publishers. We are dedicated to creating quality computer software that combines the finest in education and entertainment. Our Folio software programs are designed to be productive and useful tools for both teens and adults.

Experience the joy of music and challenge of composing with MusicWriter. Easy and fun for beginners, yet powerful enough for experienced musicians to write compositions using multiple voices. Hear and see each note as you enter it from your computer keyboard—no extra hardware is needed. Playback and editing functions make it easy to review and change your work. Save your music on disk or print out a score on paper. MusicWriter is one of a series of Bank Street creativity software programs published exclusively by Mindscape, Inc.

Educational Benefits:

- Encourages musical creativity and understanding
- Helps develop skills in reading and writing music
- Facilitates the composing process for sophisticated users
- Makes music fun for ages 9 to adult
