SPINNAKER LIMITED WARRANTY

The repair and replacement remedies granted to the customer are the sole and exclusive remedy against Spinnaker for breach of warranty, express or implied, or for any default whatsoever relating to the condition of the product. The above is a limited warranty and the only warranty made by Spinnaker. Any and all other warranties, whether express or implied, including the warranties of merchantability and fitness for a particular purpose, are expressly excluded. Spinnaker shall not be liable for any special, incidental or consequential damages even if Spinnaker has been advised of the possibility of such damages. It is expressly understood and agreed that Spinnaker makes no representation or warranty regarding the results obtainable through use of the product.

FILEPRO 64

FILEPRO 64 saves you time and keeps you organized by simplifying the storing, selecting and reporting of information.

FILEPRO 64 is the ideal program for the management of all your home and/or small business lists, records and inventories. It allows fast and easy entry, retrieval and organization of a variety of data such as mailing lists, club records, business information, collection, employee records and more.

FILEPRO 64 allows you to easily and quickly cross-search any category you want in order to locate the specific information you need. The program's advanced sort system sorts each file with up to 20 different variables. And most importantly, FILEPRO 64 files in sorted order, so there's no re-sort time.

In addition, FILEPRO 64 offers a powerful and versatile report generator for personally designed reports which can be incorporated into any written document produced by WORDPRO word processor.

FILEPRO 64 includes all the powerful features you expect and lots more. Here are some examples:

- Stores and accesses up to 4,000 records per file.
- Includes complete search and sort capabilities with up to 20 different variables and files sorted in order.
- Individually addresses and prints form letters automatically.
- Prints name and address files onto standard mailing labels, text information onto labels for price tags, file folders, inventory tags and much more.
- Supports over 100 printers with full printing functions such as preview, custom printer set-up, and proportional spacing.
- Interfaces with Better Working WORDPRO WITH TURBO LOAD AND SAVE word processor to allow automatic generation of mass mailings from address records and customized reports and documents.
- Also, interfaces with Better Working SPREADSHEET to perform advanced analysis on data.
