INSTA-WRITER is a personal word processing system designed for the professional, the student, the educator, the housewife, the businessman or the hasty letter writer who is looking for order in his life.

INSTA-WRITER is a "cartridge" based product that is inserted into a slot in the back of the Commodore-64 computer. Push it in, turn on the power and you are instantly ready to type.

FEATURES

Many of the features of a standard electronic typewriter are included along with a whole host of state-of-the-art computer technologies such as:

- Auto Margins
- Auto Tabs
- On/Off Toggles
- Automatic Word Wrap (no "carriage returns")
- Automatic Centering
- Automatic Underlining
- Single Key Editing
- Move/Duplicate Text
- Multi-Screen Text Display

INSTA-WRITER, with its INSTANT ON approach, brings convenience and efficiency to the home and office.
