ABOUT THE AUTHORS

H.J. EYSENCK

H.J. Eysenck, professor of psychology at the University of London, has lectured and taught worldwide on the nature of personality. Author of more than 300 articles and several books on personality theory, and Editor-in-Chief of the journal *Behavior Research and Therapy*, he has distinguished himself as one of Britain's foremost and prolific psychologist/authors. **KNOW YOUR OWN IQ** and **KNOW YOUR OWN PERSONALITY** are among his well-known works.

GLENN WILSON

Glenn Wilson, a former professor of psychiatry at the University of Southern California Medical School in Los Angeles, also lectures widely on personality and abnormal psychology. He has published nearly one hundred articles and several books, including **KNOW YOUR OWN PERSONALITY**, with H.J. Eysenck.

**Try these thought-provoking samples from
KNOW YOUR OWN PERSONALITY:**

- Do you sometimes say something shocking, just to see how other people will react?
- Would you rather give orders than take them?
- Are you satisfied with your appearance?
- Would you do anything for a dare?

Then, exercise your brain with these questions, similar to the mind-benders in KNOW YOUR OWN I.Q.:

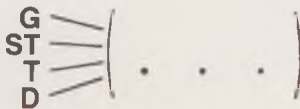

- Which of these fish is the odd one out?

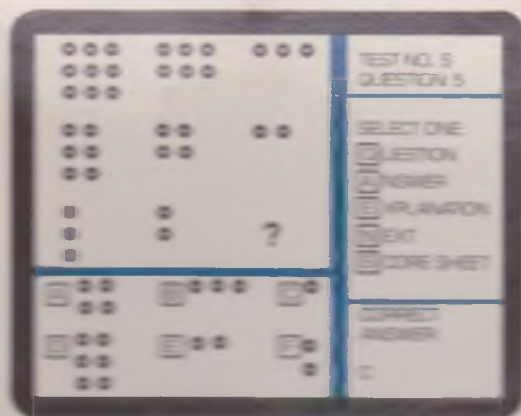

- Can you provide the missing number?

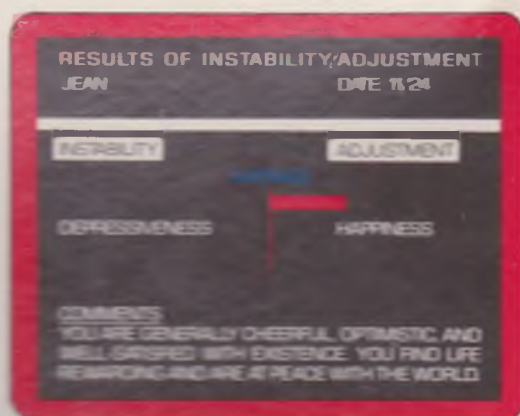

4 9 17 35 — 139

- Which word can be prefixed by any of the letters on the left?

KNOW YOUR OWN IQ

KNOW YOUR OWN PERSONALITY

Take a good look at yourself—inside and out. What's on your mind? Do you like what you see—and how often, see you? **KNOW YOUR OWN PERSONALITY** and **KNOW YOUR OWN IQ** allow you to probe, explore and discover uncharted territory: your mind and the way you think.

Designed by renowned psychologists H.J. Eysenck and Glen Wilson, these programs encourage you to question yourself, create personal files of your findings, and share and compare your results with your family and friends. The results will always inform and may even amuse you; and you can take the tests as often as you like.

KNOW YOUR OWN IQ

- Four complete tests
- Instant feedback on your scores
- Repeatable tests and new questions
- Quick, accurate results with both an IQ score

KNOW YOUR OWN PERSONALITY

- Three tests, 20 questions each, to measure key personality traits
- Personality Profile presented in color graphics and understandable text
- Save or print out results

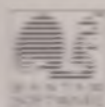

KNOW YOUR OWN PERSONALITY and **KNOW YOUR OWN IQ** as both:

- Professionally researched tests prepared by psychologists Eysenck and Wilson
- Simple to use—again and again!

Take together, they present a unique opportunity, at a remarkable price, to gain insight into the most intriguing mystery of all: you.
