CAT. NO. 1602

With only a few keystrokes, *you* can design, create, and print original signs, banners, and newsletters for your family, business, or school.

Everything you need is included in this package – pictures and symbols, type styles, and borders – for professional results, *every time!*

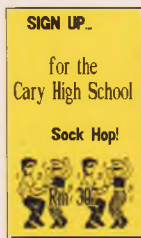

No programming or graphic skills necessary. Just load – *and let your imagination go!*

This Program Includes:

- 70 graphic pictures and symbols. Choice of 3 sizes** for use in any combination or frequency.
- 11 decorative borders.
- 6 different type styles (fonts) in 2 different sizes.
- 3 sign formats: diagonal, square, or custom.

Additional Features:

- Includes a Special Preview Mode. This allows you to view your creation before you print it.
- Prints multiple copies in seconds. No need for a copy machine!
- Stores your designs safely on disk for future use.
- Use this program with ART LIBRARY 1 and ART LIBRARY 2 and get over 150 additional graphic elements.

Commodore Printer Compatibility –

This program supports the following graphic printers:

C. Itoh Prowriter 8510

Commodore VIC-1525
and MPS-801, 803

EPSON RX, FX, LX, and
MX (with Grafrax)
