## Design and Print Signs, Cards, Stationery, Banners & More!

*Print your own personalized creations--  
from invitations and announcements to flyers,  
letterhead, notepaper, greeting cards, posters, and  
multi-line banners, too!*

It's a powerfully flexible print program for home, office  
and school.

---

PrintPower expands your creativity with these  
flexible design options:

- *Multiple Fonts:* 6 type faces, each with 7 variations, from plain, italic, bold and outline to special effects; 3 different type sizes, plus up to 8" high for banners and extra small for stationery.
- *Multiple Borders:* 40 unique designs with a choice of 2 widths and 7 positioning options.
- *Multiple Graphics:* 60 high resolution graphics with "free-form" positioning and variable size choices.
- *AwardWare graphics* and borders can be used with PrintPower to multiply your creativity even more!
- *On-screen template* helps you visualize your work AS you create.
- *Line-by-line text editing*, and text overlay on graphics, too.

Printout quality may vary depending upon your printer.
